

THE **promat** PRODUCTION LINE: SO WHAT IS THE RIGHT SOLUTION FOR YOU?

2 PASTURE MAT SYSTEM

The original cow comfort mattress developed in 1991. The Pasture Mat system is a multi-celled rubber crumb mattress, topped with a soft premium pad and protected by a durable top cover.

- Used in 47 countries
- Makes maintaining stalls easier
- Provides durable and stable surface
- Add Premium pad for extra comfort

Depending on use, the top cover options range from water-resistant to water proof.

The Pasture Mat system can be installed easily and quickly on your existing concrete floors.
